Congratulations on your engagement

Thank you for considering The Sycamore Inn for your wedding celebrations.

The Sycamore Inn is located in Birch Vale which is a quiet rural village in the heart of the Peak district between nearby town New Mills and the quaint village of Hayfield. We are set in 3 acres of woodland with 'The Sett Valley river' running alongside our gardens and views of Ollerset Moor from our dining area providing a peaceful romantic setting for your wedding day.

This information pack is a guide to what we can offer, we are happy to discuss all aspects to suit your requirements and we understand that no two weddings are the same we are happy to be flexible with all aspects from food to layout and budget.

We have different options available for your day from full exclusivity depending on budget, numbers and preference, we don't increase prices just because it's a wedding we are happy to offer a variety of options to make your day perfect and cost effective from a 1 course main meal to a bespoke 7 course meal or a range of hot and cold buffets.

We can accommodate up to 50 people seated in our dining room and a maximum of 100 guests throughout the building for an evening reception. Our extensive grounds can also accommodate a marquee or teepee and we are happy to recommend a reputable company to provide you a quote for their service.

We pride ourselves on GOOD quality home cooked food only using quality local growers, farmers and suppliers to ensure quality with every meal cooked. We have a good selection of draft and bottled lagers, beers and real ales, a selection of wines and spirits. During winter months 2 log fires provide a cosy atmosphere where you can relax and unwind and during the warmer months our grounds are a tranquil peaceful haven and a beautiful setting for wedding photographs.

The Sycamore Inn is a family run business by Samantha and Darren Kimber who care about making your day special along with our wonderful, friendly, efficient team of staff who all care about making everyone who walks through our door welcome and relaxed.
